Hello good afternoon everyone I hope you are having an excellent day. I just wanted to inform the team that we will not be meeting this Thursday September 13, 2017 to place the markings for the relocation of the Big Belly Trashcan. I contact BSS and I have not received their feedback yet. Once I receive their input, I will schedule a date to go to the site to do the markings. I apologize for the inconvenience. I will keep you guys posted if any changes occur. Thank you and have a great day.
